TECHNOLOGY CENTER R3700

Dear Sir:

A shortened statutory period of three months for filing this Reply without extension was set to expire on March 5, 2003. However, the attached Petition for Three Month Extension of Time and requisite fee make a response due by June 5, 2003. Therefore, this Reply is timely filed. Reconsideration of the referenced application, including all pending claims, is respectfully requested in light of the amendments and remarks set forth below.

Note, this Amendment and Reply is being submitted in a form required under the amended rule 37 C.F.R. 1.121. Accordingly, one (1) sheet containing the marked-up claims corresponding to the substituted claims, is attached hereto as Attachment A.

AMENDMENTS

In the "CLAIMS":

1. (Twice Amended) An inflatable heating device comprising:

a generally cylindrical body having an inner surface and an outer surface, said body including a flexible matrix and a plurality of nonmetallic, electrically conductive fibers embedded within said flexible matrix, said flexible matrix being cured to a stable elastomeric state by electrical
